PUBLIC COMMENTS ON AGENDA ITEMS

Lloyd Givan, M.Ed, ATC, PT provided comment on item #4, schools and contracting for athletic training services.

NEW BUSINESS

1. Removal of physical therapy from §2900

The Advisory Board discussed the removal of physical therapy from §2900 of the Code of Virginia. Ms. Yeatts suggested the Advisory Board place this item on the next agenda to consider other possible changes for recommendation to the Board of Medicine in June 2010. Renee Cork moved to table the discussion of the removal of physical therapy from §2900 until the next meeting. The motion was seconded and carried.

2. Third-party reimbursement for certified athletic training

The Advisory Board briefly discussed third-party reimbursement for certified athletic trainers. The Advisory Board concluded that the Board of Medicine has no statutory authority to comment on this matter.

3. Proposed amendment to provisional license parameters

Jon Almquist suggested amending the regulations to require athletic trainers with provisional licenses to cease practicing upon receipt of their results from the NATABOC examination. David Pawlowski moved to revise the language of 18VAC85-120-80, Provisional Licensure, to mirror the occupational therapy regulation that authorizes all new graduates to practice until they have taken and received the results of the BOC exam, or for six months from the date of graduation, whichever occurs sooner. Ms. Yeatts explained the NOIRA process and assured the Advisory Board that she would draft the required language. The motion was seconded and carried.

4. Schools and contracting for athletic training services

Two letters from Mr. Lloyd Givan, M.Ed, ATC, PT and Director, The Performance Place, were reviewed by the members of the Advisory Board. Mr. Givan provided his perspective for the Advisory's consideration. At issue were business models, contracting, choice of providers of athletic training services and ethical responsibilities of athletic trainers. The Advisory concluded that it had no authority in these matters with the exception of those laws and regulations that apply to individuals licensed to practice athletic training by the Virginia Board of Medicine. The discussion of this item ended with a brief recap of the Board's regulatory and disciplinary process.

5. Multiple supervisors and level of supervision

This item was discussed in item #3.

6. Election of Officers

David Pawlowski nominated Jon Almquist to remain as AT Advisory Board Chair. The nomination was seconded and carried. David Pawlowski nominated Renee Cork as Vice-Chair. The nomination was seconded and carried.
